

## **2019 CHRISTIAN SCIENCE NURSING ASSOCIATION (UK) ANNUAL MEETING**

On Saturday October 5, 2019, four employees of Whitehaven Trust drove to a hotel in central Birmingham to attend the AGM of the Christian Science Nursing Association (UK). Representatives from Lime Tree House also attended the AGM.

The purpose of the Christian Science Nursing Association (CSNA) is to support the ministry of Christian Science nurses in the United Kingdom and to promote greater awareness of Christian Science nursing and Christian Science nursing services.

Whitehaven employees actively participated in the AGM and listened to reports by the Association Chairman and Treasurer. Audrey Sentinella gave an inspirational talk entitled "Pioneer or Settler?" The Association Board announced that a UK conference for Christian Science nurses will take place in Manchester from 5-7 October, 2020. Further details will be announced in the new year.

We are grateful for the work of CSNA (UK) and look forward to participating in the 2020 conference.
